IN VIA – on life's way together

IN VIA München e.V.

Kath. Verband für Mädchen- und Frauensozialarbeit is:

- a professional association of Caritas
- an association for welfare care and a recognized responsible body for youth aid
- an organization responsible for various social facilities and advice centres
- a member of the IN VIA national association as well as the international ACISJF association

The aim of IN VIA is to support people, especially girls and young women on their way to becoming independent and to accompany and assist them in difficult times.

Our offer includes:

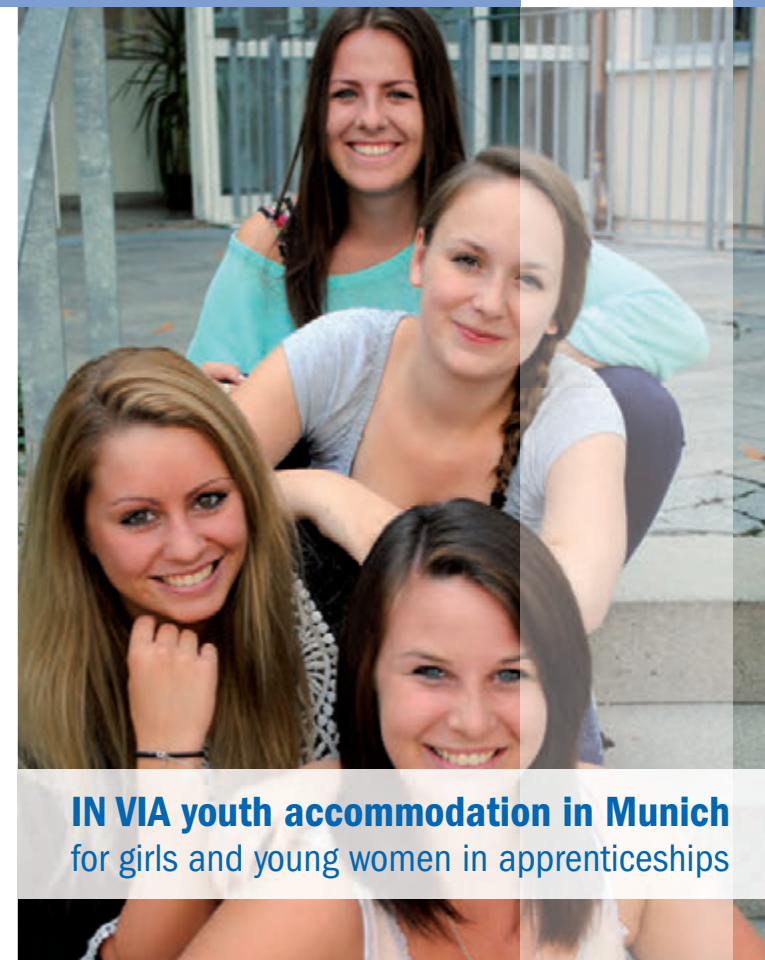

- youth accommodation for girls and young women in apprenticeship
- railway mission – Catholic organization supporting travellers in need in Munich
- IN VIA Migration – various facilities and centres for migration advice in Munich, Freising and Erding

Living and learning together

IN VIA MÜNCHEN e.V.
Kath. Verband für Mädchen- und Frauensozialarbeit

We offer you

- furnished single, double, three- and four-bed rooms in the centre of Munich
- modern furnished community rooms and fully equipped kitchens
- breakfast and hot meals
- personal assistance and advice
- various leisure activities in the hostel and in Munich

We accompany you on life's way and

- assist you in coping with your new life in Munich
- listen to your needs and problems
- give advice regarding personal and career matters
- are there for you!

You are a young woman between the age of 15 and 27 and

- in school education or vocational training
- attending training blocks at vocational schools
- carrying out an internship
- visiting Munich

If you would like to live and learn in Munich, we offer you

- the chance to live and associate in a community with young women of the same age and also to find a retreat for yourself
- the chance to learn about your individuality and independence and help and advice when problems occur

A former resident:

„The meals were super and we were able to enjoy free WIFI, television rooms and fully equipped self-catering kitchens. We were able to call on personal assistance at any time. All staff knew our names, our birthdays were remembered and a wide variety of activities were offered.“
